In re Application of
Noel R.M. de Keyzer et al.
Application No. 10/584,870
Filed: June 8, 2007
Attorney Docket No. L0012US

RENEWED PETITION UNDER 37 CFR 1.137(b)

This application became abandoned for failure to timely file a reply to the final Office Action of October 26, 2010. A Petition to Revive this application was filed on June 7, 2011. Although a response to the final Office Action was included in the petition filed June 7, 2011, the Petition Reply indicated that the amendment filed on June 7, 2011 did not prima facie place the application in condition for allowance. Accordingly, an RCE is being filed simultaneously herewith, including the fee for filing an RCE.

A copy of the Petition filed June 7, 2011 under the Unintentional Provision of 37 CFR 1.137(b) is included herewith. For your convenience a copy of the amendment filed on June 7, 2011 is also included. Additionally, the RCE is submitted.

It is noted that the Petition Reply dated July 6, 2011 stated a change of address has not occurred. A change of address was recorded in the U.S. Patent Office on May 6, 2011, a copy of which is enclosed.

Respectfully submitted,

Date: July 13, 2011
